WAIVER,

I know that running, volunteering at Gate City Striders (the "club") races and participating in club events are potentially hazardous activities. I should not enter, run or participate in club activities unless I am medically able and properly trained. I agree to abide by any decision of a race or club official relative to my ability to safely complete a run or take part in any event. I assume all risks associated with running and volunteering in club races and activities including, but not limited to, falls, contact with another person, high heat and/or humidity, the conditions of the road and traffic on a course, all such risks being known and appreciated by me. Having read this waiver and knowing these facts, and in consideration for the Gate City Striders accepting my application for membership or a renewal of membership, I, for myself and anyone entitled to act on my behalf, waive and release the Road Runners Club of America, the Gate City Striders Inc, and all sponsors, their representatives and successors from all claims or liabilities of any kind arising out of my participation in these club activities even though that liability may arise out of the negligence or carelessness on the part of a person or entity named in this waiver.(Parent/Guardian must sign above for those under age 18)
