Things get crazy at Winnie

In photo #1 Pam Hall (Team 87) hands off to Pat Mikulis(87) Behind them both is a guy in white shorts who is trying to tell a female runner (57) that her male runner (Team 57) has already come in and passed by without seeing her. The Male runner (87) thinks Pat is his team mate and is trying to give the baton to Pat who is doing her best to ignore him.

In photo #2 the guy in the white shorts has final gotten through to the female runner (57) who has figured out the problem and is trying to get the attention of male runner (87) who is preoccupied with Pat and is still trying to get Pat to take the baton. All the while Pam is applying the speed brakes to keep from bowling Pat over.
