# Strider Happenings

Mary's birthday party at Pizza night at the track.

If you missed this one, you missed a great time. We had between 30 and 40 people, a lot of great food (who made the EXCELLENT fruit salad?), and lots of sunshine. Between swim laps, frisbee, kayaking, fishing (hey Shu – what did you catch while fly fishing in the middle of the lake??), and good friends, a wonderful time was had by all. A big thank you to all that brought food and especially to Brian Werne for cooking and Chuck Rossier for bringing a much needed extra grill. We hope to see you next year.
