Howdy fellow Striders,

Finally, the best running weather of the year! After such a hot summer, it is nice to be able to breathe, and enjoy the crunch of leaves underfoot.

GCS just finished the NEGP and NHGP racing seasons, and I have to say “GREAT JOB” to all who competed, helped, cheered, volunteered.

While some may see the 2nd place finish in the NHGP as a loss, I see it as an evolution... an evolution of the club, aiming higher... aiming towards the top of the NEGP. It takes a lot of participants to win one, even more to win both, and nearly impossible to compete at both of them at a high level, especially when many days had split schedules.

That said... there are many people who may not think they are able to compete in the Grand Prix races. That is NONSENSE!
Everyone can compete! Everybody is important as everyone else. So don't be shy... come on out next year, help us fill these races with Striders!

Let this be a huge WAKE-UP call for the Mill Cities Relay! Yes, we did repeat... but now we are the target, so we have to fill all the slots with competitive runners. Lets remember that it is not always the “fastest” team that will win, but the smartest, and I think we have one of the smartest competition coordinators around: Michael Wade. So sign up, and let him do his magic, and we will take home the trophy again!

I'll end with a quote: “ **The first general rule for friendship is to be a friend, to be open, natural, interested; the second rule is to take time for friendship. Friendship, after all, is what life is finally about. Everything material and professional exists in the end for persons. - Nels F.S. Ferre** “ Thank you all for being who you are, great runners and great friends.

Until next time....

Richie Blake.

PRESIDENT'S COLUMN

BY MICHELLE POUBLON

First I must confess that one reason this issue of Striding Along is late is because it took me so long to finish this column. You might say I was at a loss for words (right!). Since becoming President A few summers ago, I've written two complete year's worth of columns, and it seems that the ideas are harder to come by now that I am in my third year. So, if this article appears vaguely familiar to you, it's because after looking at last year's column for the Oct/Nov 2008, I decided that some things are worth "repeating".

Mill Cities Relay, Sunday, December 5.

This is a point-to-point relay in which teams of five wind their way along the Merrimack River from Nashua, NH to Lawrence, MA. If you think you might be interested in running on a team this year, please contact our competition coordinator, Michael Wade. If you have never participated on a relay team, I highly recommend it. It's a great way to get to know fellow members of the club.

Group Runs at Pennichuck Middle School in Nashua, Wednesday nights at 6pm from October 27 through mid-April.

Runners of all abilities are welcome to this very informal group run starting from Pennichuck Middle School on Wednesdays. Runs are approximately 5 miles. For more information, select **Training>Group Runs** at www.gatecity.org.

Indoor Track and Freeze Your Buns Race Series.

The GCS E-board is currently making arrangements for another indoor track season at the Hampshire Dome in Milford, NH, as well as the Freeze Your Buns wintertime 5k races series. We will keep you posted about these events via the weekly e-mail bulletin, and information will be posted to our website soon.

Happy fall running, everyone!

A LOOK BACK AT SOME RECENT TRIAD RACING TEAM EVENTS

BY MICHAEL WADE

Bridge of Flowers 10k - Saturday, August 14 – Shelburne Falls, MA

The **Bridge of Flowers Classic** was conceived in 1979 as part of the Buckland Bicentennial. The foot race has remained on the same course since that first competition except for a few alterations. The first 2 mile loop of this course is mostly shaded & flat that starts in the center of the village on the Iron Bridge next to the Bridge of Flowers and runs through the downtown area. After the start of the second loop (mile 2) you hit Crittenden Hill which is as steep as Mount Washington in sections. It starts as a paved surface but quickly turns to a dirt country lane. Fortunately the so called “Hill of Tears” is followed by some nicely shaded flats and downhill for 4 miles on pavement to the finish line on Bridge Street.

In the early years of the race, the runners actually ran across the Bridge of Flowers. However, in 1980 the Bridge was rehabilitated and the course was slightly altered & with construction around the Elementary School, the course once again altered in 1997. What has not changed is the beauty & charm of the village and the warm & friendly people of Shelburne Falls. This year’s race

was the sixth race in the New England Grand Prix Series and it was another great day of running and team camaraderie for the GCS-Triad Racing Team.

We had 28 GCS runners make the trek over to Shelburne Falls on August 14th for this classic summer-time New England race. Our Mens Open team finished 8th overall, Our Mens Seniors & Womens Open finished 5th, Our Mens Masters & Womens Masters finished 4th. And Our Mens Veterans Team took home the New England Grand Prix 10k Championship trophy with their First Place finish!

Individually, Rich Smith & Karen Pattelena finished 4th in their respective 40-44 age groups. Karen also finished 17th female overall! Rich Galera finished 2nd in his 55-59 age group while Joe Noonan finished 2nd in his 65-59 age group. And, both Joe Donnelley & Milt Schumacher were 10k Champions by winning their 40-49 & 65-69 age groups respectively! Congrats to all!

Complete results can be found on Coolrunning here. http://www.coolrunning.com/results/10/ma/Aug14_Bridge_set1.shtml

And, photos of the race can be found here. <http://www.locallyrun.com/running/news/display.php?noticeid=53>

Be courteous to all, but intimate with few, and let those few be well tried before you give them your confidence. True friendship is a plant of slow grow, and must undergo and withstand the shocks of adversity before it is entitled to the appellation. - George Washington

ANOTHER TRAIL SERIES SUCCESS! BY MICHAEL WADE

This year was another breakthrough year for the Mine Falls Summer Trail Series. We had more runners, more volunteers, more awards and more fun than ever before! The 12-week no-frills series, which was run from Stellos Stadium, began on June 7th and continued every Monday night (without fail) right up until the Grand Finale on August 23rd. We scored the series in two 5-week segments and had one Relay Race in the middle and one Handicap Race at the end. At the Relay Race we had 24 teams of 3 (for the 5k), and 29 teams of 2 (for the 5 mile) compete against each other for fun and random prizes. And, at the Handicap Race 90 runners were sent off in waves based on their 2010 course PR times from slowest to fastest. And, as expected, it turned out to be a very exciting way to cap off a fun summer of trail running!

The participants enjoyed racing along the scenic trails of Mine Falls Park. The 5k'ers were greeted by flat, wide and well-groomed paths along the canal. While the 5 milers were treated to a tour of some of the more remote parts of the park where the trails were narrower and had a more varied terrain of packed dirt, roots & rocks. Either way, the runners were able to partake in the fundamental joys of friendly competition for very short dough. Entry fees were purposely kept low in order to encourage participation amongst all age groups. Our rock bottom prices were \$3.00 for youth 14 and under, \$4.00 for ages 15-18, and \$5.00 for all others. In addition to the fine racing, our runners benefited from weekly raffle prizes, random medals, dumb jokes and nifty age-group awards at the end of the season.

Even with the low race entry fees, the 2010 Summer Trail Series managed to clear nearly \$6,500 for our club. And, we scored dozens of new members as well! However the stunning success we achieved this year would not have been possible without the ceaseless help we received from our excellent volunteers. We had 24 people come out to help at our 12-week series this summer. And, many of those were repeat volunteers which was fortunate because we set a Trail Series record this year by averaging over 100 runners per night! Our gracious volunteers are listed below with the number of times they helped out in parentheses. Thanks a bunch guys! We couldn't have done it without you!

Kevin Reynolds (12), Suzanne Barker (12), Jerry Rocha (12), Chuck Rossier (12), Michael Wade (11), Millie Mugica (10), Emily Strong (9), Gig Walsh (8), Oliver McMahon (8), Jack Kick (7), Dan Dolan (6), Richie Blake (6), Ed Deichler (5), Beth Whipple (4), Dan Dugan (4), Paul Joyce (2), Janice Platt (2), Steve Wolfe, Jim Hansen, Anthony Lombardi, Steve Delahunty, Lea Reilly, Bill Newsham & Bryce Newsham.

When the series concluded in late August, a good number of people came up to me afterwards and thanked me for the wonderful time they had. Some of the older runners said that they wouldn't have raced this year if it weren't for our no-pressure series. Parents were proud to see their children out there having fun in a healthy and relaxed atmosphere. And, many were just grateful to have made so many good friends at our races. To them, and to

2010 MILL CITIES RELAY

BY MICHAEL WADE

The **Mill Cities Relay** is a 5-leg, 27.1 mile race from Nashua, NH to Lawrence, MA. It began in 1984 as a way of celebrating the end of the local road racing season and determines bragging rights among the 18 participating Merrimack Valley running clubs. The race starts not with a starting gun, but with the drop of a ceremonial brick. The five leg distances are 5.6, 4.9, 2.5, 9.4 & 4.7 miles and points are awarded to teams in each of the 12 age/gender categories. Teams finishing in the top 3 get a brick trophy with a small plaque on it. After 26 years of competing, GCS has received enough brick trophies to build a small house! Any current club member is eligible to participate in this year's race free of charge. Each relay runner gets a commemorative Mill Cities Relay gift and the post-race party at the Claddagh Pub in Lawrence is not to be missed. As it is every year, the party is a great place to meet new members as well as catch up with old ones.

Last year, the Gate City Striders won their second consecutive Mill Cities Relay and proved that our win in 2008 was no fluke. Our club scored a record 106 points on race day and needed every single one of them to hold off a strong, 99-point challenge from The Winners Circle Running Club. As was the case in 2008, the race itself proved to be quite an adventure as, once again, relay weekend coincided with the first snowfall of the season. Only a couple of inches of snow fell but the conditions were enough to send runners sliding this way and that during the early stages of the race. Our club had a record 27 teams & 127 runners participate in this year's relay and countless others who volunteered, cheered and otherwise helped us on to victory.

This year's race is being held on **Sunday, December 5th** and with a club the size of ours, there is no reason why we shouldn't own this race year in and year out. Our victories these past two years have been a source of great pride among the members of this club. And, kicked off what has been a fantastic year of Team Racing here in 2010! This year we'll need to work to defend our title AGAIN and the other clubs are sure to be hungrier than ever. The Mill Cities Relay starts in our own back yard, and it should finish with the trophy ending up here again as well. The Gate City Striders are the defending Mill Cities Relay Team Champions. And, it's not too early to start thinking "Three-peat"!

Since every point counts in this race, the team captains and I will be working hard to assemble the most competitive teams possible and all team registrations will need to go through us. Remember, "Pick-up" teams will not have their entry fees paid by the club. So please let me know, as soon as possible (via e-mail at mwade@ganekarchitects.com) if you're interested in running and we'll get you registered and on a team.

Continued from page 7

all the others who ran with us this year, I'd like to thank you as well and tell you that plans are already being made to improve the Trail Series for next year. I hope that if you ran (or volunteered) with us this year that you come back and see us again next summer. And, if you didn't, please come on out and see what all the fun is about!

A TREMENDOUS MONTH!

BY MICHAEL WADE

I want to acknowledge a GCS club member who has had just a tremendous month of racing.

On Sept 5th, **David Herr** of Canaan, VT won the **Wapack 18m** trail race in New Ipswich, NH – setting a new course record in the process.

One week later, on Sept 12th, he won the **Pisgah Mountain 50k** trail race in Chesterfield, NH – also setting a new course record.

And on September 26th, he ran a 2:32:40 to win the **Clarence Demar Marathon** in Keene, NH. Not a bad September if you ask me!

Please join me in congratulating David on a job well done! Way to go!

GATE CITY STRIDERS - HALL OF FAME 2010 CLUB ANNOUNCEMENT

The Gate City Striders Hall of Fame is dedicated to honor current (or former) members who have made significant contributions to the club and the running community as a whole.

The Hall of Fame selection committee will evaluate each nominee based on various criteria including (but not limited to) the following:

- Years of membership and service

(E-board positions, committee membership, club representation, etc.)

- Contributions to the club

(Event participation, team captainship, newsletter submissions, etc.)

- Contributions to the running community

(Volunteering, race directing, coaching, etc.)

- Running achievements

(Races won, points scored, awards received, etc.)

Any current club member can nominate a potential Hall of Fame candidate.

A brief summary of the candidate's qualifications is required to support each nomination (see nomination form attached). Please be as specific as possible in your description when submitting a nomination. Also, please include a digital photo of nominee (if possible).

All entries will become property of The Gate City Striders Running Club and may be used in our newsletter, on our website or any print / electronic media we choose.

The GCS Hall of Fame selection committee reserves the right to make its own independent inquiry and requests that those placing names in nomination refrain from divulging that fact to their respective candidates. And, the committee's decisions will be binding and final.

Inductees will be formally announced at our club's annual awards dinner in January 2011. Inductees will have their name added to a large Gate City Striders – Hall of Fame plaque. Inductees will also receive a small plaque (to take home) commemorating their induction.

Applefest Half Marathon

Fellow Striders;

THANK YOU!

Thank you to all of the Striders who volunteered their time and efforts on Saturday and made this year's Applefest another success. It was amazing to look out and see the sea of yellow volunteer shirts helping runners, families, and visitors. It was also gratifying to see volunteers of all ages. We had long time Striders as well as new members, Striders who ran the race than those who didn't, and many Striders pulling double or triple duty over the weekend.

We received many compliments from runners on how well organized and managed the race was. It was a very hot and humid day and it was great to see every Strider step up and "work" the finish line to make sure every runner got extra hydration, and those runners that needed medical attention were taken care of quickly and successfully.

I also received many compliments from the Hollis police and public safety staff who were very impressed with the Club and its volunteers. It is not an easy thing to manage 1500 runners plus family and visitors, but we sure make it look easy.

So again, THANK YOU to all who helped make the day a success.

Bill Farina
Race Director

HELP WANTED

Hi All,

It's that time of year again when I'm looking for your help at this years' Santa Fund Run. Race day is: Sunday, October 31, 2010. Race starts at 10 am. We have a new course this year which will help with traffic at the front of the school.

The jobs we need to do are:

1. Mile one (1) marker needs someone there with the timing clock, we usually communicate by cell phone to tell you when to start it. When the last of the runners go by, and then move to the finish line to help at the water stop.
2. Place cones along Riverside Dr in the middle of the road. I will leave the cones on the side of the road. Traffic control to parking area.
3. Set up water stop tables, one at the finish line & one at mile two (2) & 4 mile for the 10K runners, this will include Gatorade. Three (3) needed at this stop.
4. Set up start / finish line ladders + banner.
5. I will set up mile markers on the course & arrows for course direction.
6. Help to put out 50 cones to the entrance to the track in the parking lot at the rear of the school. Meet at 8 am at the track parking lot at the rear of the school. David Salvas & I will be around from 7 am. I will need your T-shirt size.

Thanks.

Mark

Novemberfest Waterstop

John Kerry and The Frozen Head of Ted Williams

The original Novemberfest ran for 10 consecutive years from 1995 through 2004 with a tradition of bringing in celebrity guests to entertain the runners. Over the years, the celebrity guests included Bob Dole, Bill Clinton, Monica Lewinsky, Mark Martin, The Three Stooges, (headless) Ted Williams, John Kerry and Father Dick. An attempt to bring the race back in 2008 as Decemberfest was halted by the Ice Storm. Barrack Obama and Sarah Palin had been expected to attend. In 2009, Bernie Madoff made an unexpected appearance at Novemberfest and provided the runners with sound investment advice.

No expense will be incurred this year to bring you the best celebrity guests available. Photo's from previous Novemberfest's can be found [here](#). Results from the 1999 version of the race can be found [here](#). Novemberfest's facebook page can be found [here](#).

No whining or complaining will be tolerated at Novemberfest. Novemberfest is hosted by the Wednesday Evening Church Group (WECG) with proceeds benefiting The Nashua Children's Home. If you have any questions or would like to volunteer, please contact Bob Thompson at rtdskis@aol.com.

“Keep the right attitude and keep exercising. Even if you have a health problem, that’s no reason to stop. In fact, that makes it more important to keep going. And certainly don’t stop running just because you’re 80-plus.” - Rose Steward, 81, America’s oldest female triathlete, is nearly blind

DO YOU KNOW THIS GUY?

Roy Dennehy and Frank Shorter

It's not surprising that some of the long time Striders, team runners and volunteer at Strider events are also giving of their time elsewhere.

Roy Dennehy has helped at Applefest for a long time even while he has been planning, as RD, the Larry Robinson 10 Mile & 5K race in Andover MA on a weekend that is Sunday Nov 7th this year.

This is the 10th and final year of the event and Roy through the race has raised a lot of money for Cancer Research. It's a labor of love for Roy and it's been a challenge that I can certainly appreciate.

Roy is probably too shy to ask for help at this level but he's earned it and he needs it.

The race has about 1,000 participants and though Roy has a few solid base volunteers he has nothing like the Applefest or Fitness U team.

I've helped Roy there for a number of years and I'd like to ask some of you Striders to help make the final year of a great guy be less stressful and a fun parting memory that he can enjoy.

The venue and course do not require Applefest's heavy commitment of volunteers but it can certainly use more volunteers than he normally has. It's a nice course, easy to get to and your help would be a way of thanking Roy for all his help to the club over the years.
